

CASTLES IN THE SKY

let us get your party started

Thanks for the Memory

If you want a little something to remember your special occasion, why not have a photo card taken.

We take a photo of you or you and your friends, then print it there and then or at the end of the party and put it on a coloured card of your choice.

Keep it as a reminder of your occasion/special day or send it to some one special for a fun reminder of all the fun you had that day/night.

Check out our website to see more of what we can do for you with the photo's in the gallery.

You can share your photo's with us and everyone who was at the party or event and show any one who wants to see how much fun they can have when they get Castles in the Sky to organise their event.
